You may paint your badges anyway you like; this is how Jamie painted them.

Paint TBDA in Splendid Gold. Mix a touch of Bittersweet Chocolate to Splendid Gold and gloat on shadows. Float Champagne Gold and then watery Warm White highlights and paint over with Crystal twinkles.

Paint penguins head and hands in Uniform Blue, float Paynes Grey shadows, mix a touch of Warm White to Uniform Blue and float in highlights.

Paint face in Unbleached Sand. Paint eyes in Lamp Black. Wash watery Fiery Red in cheeks. Add white highlights to eyes and cheeks.

Beaks for fairy (Little Penguin) paint in Paynes Grey, add white to Paynes Grey and dry brush in highlights.

For a Penguin base beak in Cadmium Orange, float Paynes Grey shadows. Mix touch white to Cadmium Orange and dry brush highlights.

Load line in watery Lamp Black and paint hair onto penguins. Pick up a little Warm White and paint in highlights.

We would like to thank Jamie Mills-Price for designing these cute see no evil, hear no evil and speak no evil penguins.
